

The Afghanistan Engineer District North (AEN) of the U.S. Army Corps of Engineers (USACE) is currently soliciting information from passenger air carriers and travel agencies for direct flights between Dubai, United Arab Emirates and Kabul, Afghanistan for travel by USACE AEN personnel, 6 days per week. The information provided should address at a minimum the following factors:

1. Aircraft certifications, including International Civil Aviation Organization (ICAO) and Civil Aviation Authority (CAA)
2. Booking/ticketing methods, availability and flexibility, and methods of contact
3. Flight schedule and terminal location
4. Baggage limitations and weight limitations
5. Company profile

**The above factors are not all inclusive.**

This announcement serves only as market survey/sources sought notice in order to determine the interest and availability. PRESENTATIONS ARE NOT BEING REQUESTED AT THIS TIME.

All interested parties should submit their company/organization name and contact information on company letterhead along with a company profile and requested information via email to Barbara D. Rhoden, Procurement Technician, [Barbara.d.rhoden@usace.army.mil](mailto:Barbara.d.rhoden@usace.army.mil) and Monica H. Bardsley, Contract Specialist, [monica.h.bardsley@usace.army.mil](mailto:monica.h.bardsley@usace.army.mil) NLT 7 March 2010. Any responses received after that date will not be considered.
