

OCTOBER 2006 NOTICE to CONTRACTORS:

The U.S. Army Corps of Engineers, Afghanistan District intends to issue Requests for Proposals (RFPs) to award Firm Fixed Price contracts to construct one-story District Headquarter buildings located throughout Afghanistan. We anticipate approximately 13 RFPs will be issued with estimated dollar values ranging from \$2,000,000.00 to \$7,000,000.00.

The awards under this procurement will be made in accordance with the applicable Federal Acquisition Regulations. The primary objective of this project is construction of one-story District Headquarter buildings within two kilometers of the existing District Centers. Each RFP will have sites broken out by regions. The Contractor shall furnish own labor, materials and equipment to accomplish the requirements. Method of acquisition evaluation, performance period, and point of contact for each project will be indicated on each Request for Proposal (RFP).

RFPs will be available within the next 60 days. The media selected for this issuance of RFPs and amendments is solely at the discretion of the Government; accordingly, the media utilized for this project is the Internet and CDs. Utilization of the internet is the preferred method.

U.S. Contractors must be registered in the Department of Defense CCR database prior to award (Requirements: DFARS 252.204-7004 Required Central Contract registration). All other Contractors are encouraged to register. Information on CCR registration and annual confirmation requirements may be obtained by calling 1-888-227-2423 or via the internet at <http://www.ccr.gov>.

Those registering are responsible for the accuracy of the information on the mailing list. Registration must include the firm's e-mail address, physical address, telephone, a valid fax number and a point of contact.
