

SYNOPSIS

Contingency Housing, Relocatable Building (RLB),
FOB Shank
Pul-E-Alam, Afghanistan.

Solicitation number W5J9JE-10-R-0053, Contingency Housing, Relocatable Building (RLB), FOB Shank, Pul-e-Alam, Afghanistan.

The U.S. Army Corps of Engineers, Afghanistan District intends to issue a Request for Proposal (RFP) to award a Firm-Fixed Price contract for the design and construction of the Troop Housing, Relocatable Building (RLB) project at FOB Gardez, Paktya Province, Afghanistan.

The project consists of site adapting the Government design and erection of Government Furnished Re-Locatable Building (RLB) container modules for 1008 personnel, Phase 1, and 1008 personnel, Phase 2; and related support facilities at Pul-E-Alam (FOB Shank), Afghanistan. The project is defined as the material, labor, and equipment to assemble the RLB modules, set up RLBs, parking, utilities and other infrastructure for the RLB Housing project. This contract provides RLB structures. Provide each structure with external walkways and stairs. Fabricate external walkways and stairs in modular sections which are bolted together to provide for ease of assembly, disassembly and transport. The work includes site survey; geotechnical investigations; concrete foundations; reinforced concrete bunker and blast protection barriers; assembly of RLB container modules; and placing RLB modules (RLB modules shall be secured to foundations and adjacent modules with approved connectors); an above ground water storage tank(s), chlorination system, booster pumps, jockey pump, hydro pneumatic tanks; pump house and buried water distribution system; a buried sanitary sewer collection system and storage tank(s); electrical generators; fuel tanks and spill containment area; transformers; buried power distribution and communication systems and perimeter lighting.

Solicitation number W5J9JE-10-R-0053 will be available on or about 20 Feb 2010. Proposals will be due approximately 30 days after the RFP issue date. Actual due date and time will be specified in the RFP.

The award for this procurement will be made in accordance with the applicable Federal Acquisition Regulation (FAR) Part 15. The estimated price range for this requirement is between \$10,000,000 and \$20,000,000.

The point of contact for this procurement is Karen S. Nelson, Contract Specialist, U.S. Army Corps of Engineers, Afghanistan District, CEAED-CT, Kabul, Afghanistan, APO AE 09356, Phone 540-540-3467 or via email at Karen.s.nelson@usace.army.mil. The media selection for this issuance of the Solicitation and amendments shall solely be at the discretion of the Government. Accordingly, the media utilized for this project is the Internet. No paper copies will be made available. Interested parties may download and print the solicitation, at no charge at www.aed.usace.army.mil after it is posted.

Requirements: DFAR 252.204-7004 Required Central Contract Registration (CCR) applies to this procurement. Prospective contractors must be registered in the Department of Defense CCR database prior to

award. Information on CCR registration and annual confirmation requirements may be obtained by calling 1-888-227- 2423 or via the internet at <http://www.ccr.gov>.
