There will be no office or communication support from the Government unless specifically authorized. The Contracting Officer Representative (COR) will assist in processing personnel and vehicle base passes or permits if required by base regulations. Otherwise, the contractor shall be responsible for them.

All contractors employed on Department of Defense (DoD) funded service and construction contracts being performed in the CENTCOM AOR, excluding personnel hired under contracts that do not exceed \$25 thousand and for which the period of performance is less than 30 days, must be input into the Synchronized Pre-deployment and Operational Tracker (SPOT). Contractor personnel will not be granted or allowed to renew Common Access Card (CAC), acquire biometric identification cards or other credentials, as applicable, until entry of information into the SPOT database is complete.

Effective 30 August 2008, the SPOT digitally signed Letter Of Authorization (LOA) with the barcode shall be the only accepted form for Contractor personnel who are Authorized to Accompany the Force (CAAF) deploying for 30 days or more. LOA'S shall designate an incountry point of contact or COR as the Government authority. Only contractors with a proper LOA entered into SPOT are authorized to have a CAC card issued. The above privileges may be granted to U.S. citizens personnel, so long as they are employed under this contract. However, any violation of these privileges will be cause for immediate withdrawal of such privileges for the principle and could result in total loss of such privileges to all contractor employees under this contract.

It is agreed that withdrawal of any or all of these privileges for reasons cited in the paragraph above, will not affect nor constitute grounds for delay in or non-performance of any portion of any contract between the Contractor and the U.S. Government, nor will such action form the basis for any claim against the U.S. Government, based on the contract or otherwise, nor will such action be considered breach of contract or any portion thereof.
