Totals for each year are for evaluation purposes only and do not have an indication of the number of site assessments that will be performed.

**DBA INSURANCE**

The amount listed by the offeror on this CLIN is the estimated DBA insurance premium (estimated payroll of the offeror and its subcontractors times the applicable rate(s)). The DBA insurance premium amount varies with payroll and the nature of services and will, therefore, be taken into account during price evaluation of offers. The actual amount paid by the government under this CLIN will be based on the amount of the Rutherford invoice, stamp “paid” and submitted by the offeror after contract award. In the event of recalculation of the premium by CNA based on actual payroll amounts, the contracting officer will adjust this CLIN by contract modification to reflect the actual premium amounts paid.

**PROPOSAL SCHEDULE NOTES**

Offeror shall submit prices on all items.

**EVALUATION OF OFFERORS:** The award will be made to the offeror whose proposal represents the best overall value to the Government. Period of performance for each site is 15, 30, 45, or 60 days, depending upon the CLIN, from receipt of DBA Insurance. DBA shall be received within 10 days of award.
