prime construction contractor.

The magnitude of the project is over \$10,000,000.00.

The contractor may be required to coordinate the efforts required under this contract with at least one other contractor at the site. Such coordination requirements will be required as part of this contract. The coordination effort may be significant and may include such tasks as the exchange of information with other contractors such as design data, drawings, calculations, and technical information. Additionally it may be necessary for the contractor to conduct meetings, hold teleconferences, and prepare the submittal of additional information to the Contracting Officer (KO) that demonstrates the coordination and integration of new work with existing and future work of other contractors. All coordination shall be in agreement with the KO and approved prior to the commencement of any work. All work identified in the Scope of Work shall be completed within 520 calendar days from the Notice to Proceed. Information on a site visit and instructions to obtain access to the site will be provided in the solicitation.

NOTICE TO OFFERORS: THE GOVERNMENT RESERVES THE RIGHT TO CANCEL A SOLICITATION EITHER BEFORE OR AFTER THE PROPOSAL OPENING, WITH NO OBLIGATION TO THE OFFEROR BY THE GOVERNMENT.
