## Synopsis

### AFGHANISTAN ENGINEER DISTRICT SOUTH (AES) Firm Fixed Price Contract for Utility Upgrades, ANA Camp Zafar, Herat, Afghanistan

W5J9LE-11-R-0027

23 January 2010

The project consists of the design and construction of Utility Upgrades at Camp Zafar, Herat, Afghanistan. Facilities are to include a fully functioning waste water treatment lagoon system, sanitary sewer system, buildings, parking, utilities and other infrastructure to be specified in the Scope of Work. All related design shall be accomplished by the Contractor and according to the design submittal schedule in the solicitation. The work within this contract shall meet and be constructed in accordance with current U.S. design and International Building Codes (IBC), Life Safety Codes (NFPA-101), Force Protection and security standards

The Government intends to make one award as a result of the forthcoming solicitation. Award of a contract will be made to the responsible offeror who submits the lowest priced, technically acceptable proposal that is both realistically and reasonably priced for the work to be performed. Offers will be evaluated in accordance with the evaluation criteria stipulated in the solicitation. An offeror may not receive award, even if it has the lowest-priced, technically acceptable proposal, if its price proposal fails to demonstrate that it understands the scope of work required by the solicitation. The applicable NAICS code is 236210 (\$33.5M small business size standard). The resulting contract is for 270 days. The magnitude of construction is between \$5M - \$10M. Offerors are asked to submit their expression of interest on or before 05 February 2011, to the point-of-contact via email. The point-of-contact for this synopsis is Mr. Evan Carter, Contracting Specialist, USACE-AES, APO AE 09355. You may reach Evan Carter at 540-722-6611 or via email at [evan.b.carter@usace.army.mil](mailto:evan.b.carter@usace.army.mil). Please courtesy copy [tas.contracting@usace.army.mil](mailto:tas.contracting@usace.army.mil) on all expressions of interest.

Requirements: DFAR 252.204-7004 Required Central Contract Registration (CCR) applies to this procurement. U.S. prospective contractors must be registered in the Department of Defense CCR database prior to award. Information on CCR registration and annual confirmation requirements may be obtained by calling 1-888-227-2423 or via the internet at <http://www.ccr.gov>. Electronic copies of the solicitation will not be accepted.

Solicitation Number W5J9LE-11-R-0027 will be available on or about 05 February 2011. The solicitation and all further information will be posted to these websites:
