

Synopsis

AFGHANISTAN ENGINEER DISTRICT SOUTH (AES) Firm Fixed Price Contract for Design and Construction for the Expansion of the ANA 207th Corps compound in Camp Zafar, Herat, Afghanistan.

W5J9LE-11-R-0046

30 March 2011

This solicitation is being cancelled and will be readvertised under solicitation number W5J9LE-11-B-0001. The work involved for this project is not changing; however, the evaluation method used by the Government to award will be changed from a Request for Proposal (RFP) using Best Value/Trade Off to an Invitation for Bid (IFB). In addition, contractors shall be required to provide a bid bond with their bid and to obtain performance and payment bonds to perform the work.

The new point-of-contact for this procurement is Mark T. Jones, Contract Specialist, USACE-AES, APO AE 09355. You may reach Mr. Jones at 540-667-6867 or via email at mark.t.jones@usace.army.mil, with a courtesy copy to TAS.Contracting@usace.army.mil.
