1 INTRODUCTION

MACTEC Engineering and Consulting, Inc. (MACTEC) has completed a Site Assessment of approximately 1.5 hectare parcel of land in Herat City the Provincial Capital of Heart Province, Afghanistan, for the Ministry of Interior (Mol). The parcel is currently open land. The site visit was conducted on October 25, 2010 for the, Fire Department (Site 2 First Visit).

This effort was preliminary to a Master Planning effort and included assessment of the following:

- Land Ownership
- Adjacent Land Use
- General Availability of Utilities on Site
- General Description of Existing Structures and Facilities on Site
- Access Roads
- Proximity of Construction Materials and Labor
- Proximity of Clinics, Fuel and Public Transportation

This site assessment is part of the basis for a master plan for the Ministry of the Interior (Mol) which identifies required land area and the general location of facilities within the area according to the Statement of Requirement (SoR).

2 PLANNED DEVELOPMENT

The project site (Site) is anticipated to accommodate a Fire Department (Site 2 First Visit). A standardize master plan is included in Appendix C.

3 SITE ASSESSMENT

3.1 Site Location

The proposed Site is about 125x120 meters (1.5 Hectare). The Site is located in Herat City, Herat District, approximately 4 km West of Herat City, the Provincial Capital of Herat and approximately 1104 km West of Kabul. The site is located East of the Saljooqi Girl's High School and 80 m from Khwaja Sahib Ziarat (Shrine) asphalted road. The proposed Site is located 2.5 km Southeast of Governor's House and 3 km Southeast of Traffic Department. The Site's average elevations, (GPS Site Recorder) are between 968 meters to 972 meters.

3.2 Site Ownership

The Site is owned by the Ministry of Interior per the attached ownership certificate.

- Signed by – Sheer Ahmad – Manager of Land Regulation Directorate
- Witnessed by – Brigadier General Mohammad Salim Ihsaas – Herat UP Provincial Commander
- Witnessed by – Yosuf Nooristani – Herat Provincial Governor

The site sketch is signed and stamped by the following officials:

- Signed and Stamped by – Yosuf Nooristani – Herat Provincial Governor
- Signed and Stamped by – Mohammad Salim Ihsaas – Herat UP PHQ Commander
- Signed and Stamped by – Major Abdul Rahim – Herat Fire Department Officer
- Signed and Stamped by – Mohammad Naeim – Representative of Cadastre Department
- Signed and Stamped by – Haji Sheer Ahmad – Manager of Land Regulation Directorate (MoA)
- Signed and Stamped by – Colonel Abdul Latif – Logistic Manager of UP HQ
- Signed by – Abdul Matin – Representative of UP PHQ
- Signed by – Tokhi – Representative of Governor
- Signed by – Mohammad Anwar Taraki – Representative of Accountancy Department

Note: The site is not included in Municipality Plan.

3.3 Existing Site Development

The site is open and undeveloped land. There are no existing facilities or structures at the site. The site has no evidence of past grading and development. The surrounding area of the site was used by ANA Division in the past. There is an illegal road which crosses the site from Southeast to East of the site.

3.4 Surrounding Site Use

The proposed Site is bound to the North by GoIRoA open land and Mountains, to the East by MoD land (Property), a small dry Wadi and Khwaja Sahib Ziarat (Shrine) illegal graveled road, to the South by Cemetery, MoD land (Property) and Illegal road, and to the West by dry Wadi, GoIRoA open land, Saljooqi Girl's High School, GoA open land and Khwaja Saheb Shrine Asphalted road.

3.5 Site Topography

The Site is open land and semi level. The proposed site is about 15,000 square meters which has not been cultivated in the past. The site is gently rolling topography with overall relief estimated at about 4 meters. The highest elevation is at the Northeast corner (P2) with the lowest elevation at the Northwest and Southwest corners (P1, P4) of the site.

3.6 Site Geology

The published USGS Geologic Map of Afghanistan (2005) indicates the Site is underlain by map symbol Q₃loe, "Loess (late Pleistocene)-Loess more abundant than sand, clay.

3.7 Site Seismicity

The Published USGS/USAID Seismic Hazard Map indicates Short (0.2 Second) and One Second Seismic Spectral Response Acceleration (S_s and S₁) per IBC 2006 of 0.6 and 0.2 g, respectively, based on a 2 percent probability of exceedance in 50 years. The Site Class should be determined based on a geotechnical exploration.

3.8 Site Drainage

The Site generally drains from North to South. There are two Wadis to the East and West of the site. The water flow direction in these Wadis are from North to South of the site.

3.9 Site Expansion Potential

The site is surrounded by GoIRoA open land, MoD land (Property), Wadis, Khwaja Sahib Ziarat (Shrine) gravel road and Saljooqi Girl's High School. It is possible to expand the site to the North.

3.10 Mines and unexploded ordinance

Based on statement by Major General Abdul Rahim Chief of Fire Department, there are no UXO hazards on the site. However, no documentation of mine clearing of the site was available.

3.11 Utilities

Public Power is available at Saljooqi Girl's High School west of the site. Public Water and well is not available at the site, but there is a well inside Saljooqi Girl's High School which is 60 m deep.

3.12 Site Access

The proposed site is located 4 km from Heart City; 3.5 km of the road is asphalt and 0.5 km rest of the road is gravel. The site is located 80 m from Khwaja Sahib asphalted road. The graveled road which connected to the site can be accessed by any types of vehicle. Transportation is available in Herat City.

3.13 Area resources

This is the information provided by Major General Shams-ur-Rahman Manager of Fire Department.

- Construction Machinery, 4 km, Custom Office
- Skilled and Unskilled labors, Locals
- Cement, Steel Bar and Gypsum, 1.5 km from the site
- Bricks, 3.0 km, Herat City
- Stone and Crushed Aggregate, 1 km from the site
- Medical Clinic, 1 km from the site
- Fuel Point, 1 km from the site
- Sand, 4 km, Kamar Kala
- Access road, 80 m from the site
- Tele communication: AWCC, MTN, Roshan, Etisalat, Afghan Telecom coverage on the site
- Public Transportation: Available (Buses, Taxis, and Coaches)

4. LIMITATION

The findings and opinions presented are relative to the dates of our site work and should not be relied on to represent conditions at other dates.

The opinions included herein are based on information obtained during the study and on MACTEC's experience. If additional information becomes available, we request the opportunity to review the information, reassess the potential impacts, and modify the report, if warranted. If this assessment included a review of documents prepared by others, MACTEC has no responsibility for the accuracy of information contained therein.

This document and information is based on a brief site visit, documents provided by CJ-Eng, Mol, or others, and interviews with local persons and officials familiar with or with responsibility over the site. Travel and security considerations limit personnel and equipment able to visit the site.

Location and elevation data are based on published documents and low resolution hand held GPS and should be considered approximate.

This document is intended for preliminary planning purposes only and should not be considered to replace detailed engineering studies such as site boundary and topographic surveys, geotechnical explorations, hydrologic studies, or other civil engineering effort.

This Site Assessment Survey Report was produced under the direction of the Project Manager and reviewed by the Principal Engineer.

<p>The Respected Herat Provincial Governor In consideration to the request letter number 50 and 51 dated: 24/07/1389 by Construction Section of Herat UP Headquarters about identification of land for two sites for construction of Fire Department Police Facilities. According to decree number 16 dated: 06/02/1389 by President which says that land should be provided without any charges. The problems that we are facing are explained bellow:</p> <ol style="list-style-type: none"> 1- The area of 7- 10 Jeriebs of land at Gazargah Sharif Desert which is located behind the Saljooqi High School, requires the permission of the Monuments and Maintenance Section of Culture and Information Department. 2- The 80 Jeriebs of land which is located behind and to the east of the Airport. According to the prepared map the mentioned plots surveyed is recorded as Agricultural land in the Agriculture Department. <p>According to the fifth paragraph and (46) article of Law, distribution of agricultural areas are illegal and needs the permission of Agriculture Ministry. In addition to that the Provincial Governor has ordered, the proposed site to be assigned for the expansion of the airport and the issue was reported to the Capital (Kabul) and a partial agreement has been received regarding the expansion of airport. Therefore, the order of the Provincial Governor is practicable regarding proposed land.</p> <p>Sincerely, Representative of UP Headquarter (Signed)</p> <p>Tokhi Representative of Provincial Governor (Signed)</p> <p>Representative of Cadastre Directorate (Signed)</p> <p>Representative of Accountancy Department (Signed)</p> <p>Representative of Agriculture Department (Signed)</p>	<p>434 13/08/1389 Context of request has been approved (Signed)</p>
