MACTEC Project 6144110096.05.OP.00579

CJ-ENG Project Unknown

1 INTRODUCTION

MACTEC Engineering and Consulting, Inc. (MACTEC) has completed a Site Assessment of approximately 2.11 hectare parcel of land in Herat, Northwest of Central Herat, Herat Province, Afghanistan, for the Ministry of Interior (MoI). The parcel is currently open land. The first site visit was conducted on January 01, 2009 for the Afghan National Police, Fire Department. This second site visit (October 10, 2010) is verification that the land is still available. This Site Assessment includes the Land Ownership Certificate, Site Sketch with the relevant Signatures.

This effort was preliminary to a Master Planning effort and included assessment of the following:

- Land Ownership
- Adjacent Land Use
- General Availability of Utilities on Site
- General Description of Existing Structures and Facilities on Site
- Access Roads
- Proximity of Construction Materials and Labor
- Proximity of Clinics, Fuel and Public Transportation

This site assessment is part of the basis for a master plan for the Ministry of the Interior (MoI) which identifies required land area and the general location of facilities within the area according to the Statement of Requirement (SoR).

2 PLANNED DEVELOPMENT

The project site (Site) is anticipated to accommodate a Fire Department. The site which is selected for Fire Department (First Site 2nd Visit) should be leveled as soil has been deposited at the site.

3 SITE ASSESSMENT

3.1 Site Location

The proposed site is about 21,080 square meters (2.11 Hectare). The Site is located in Herat, approximately 4 km Northwest of Central Herat, the Provincial Capital of Herat, and approximately 805 km West of Kabul. The site is located 100 m South of Herat-Islam Qala asphalted road. The site's average elevations (GPS Site Recorder) are between 974 meters to 993 meters.

3.2 Site Ownership

The Site is owned by the Ministry of the Interior per the attached ownership certificate.

- Shir Ahmad – Manager of Land Regulation Directorate
- Signed and Stamped by – Brigadier General Mohammad Salem Ihsas – Herat UP Provincial Commander
- Signed and Stamped by – Nuristani – Herat Provincial Governor

The site sketch is signed and stamped by the following officials:

- Signed and Stamped by – Nuristani – Herat Provincial Governor
- Signed and Stamped by – Brigadier General Mohammad Salim Ihsas – Herat UP Commander
- Signed and Stamped by – Mohammad Niaz Abdurrahman – Manager of Fire Department

There are no known claims or disputes about the land ownership.

Note: The following Signatures are in the Request Letter (See Pages 27-32):

- Accountancy Department
- Agriculture Department
- Land Regulation Department
- Cadastre Department
- Logistic Directorate

The site has been given to the Ministry of Interior by the Ministry of Agriculture for the purpose of a Fire Department.

3.3 Existing Site Development

The site is on unlevel and vacant land. There are no existing facilities or structures at the site, except some ruined houses and a Police Outpost. There are no perimeter walls or fences on the site.

3.4 Surrounding Site Use

The Site is bounded to the North by Water Management Directorate, to the East by Governmental Commercial Area, to the South by Private and Municipality Commercial land and Herat-Islam Qala main asphalted road, to the West by Private Commercial land and Multi-Story business buildings.

3.5 Site Topography

The site has very steep rises and dips. The proposed site has soil surface and gently rolling with over all relief estimated at about 19 meters, with highest elevation at Northeast corner on the top of a hill next to the Police Outpost and Irrigation Department and lowest elevation at Southwest corner near a Wadi and Traditional Area.

3.6 Site Geology

The published USGS Geologic Map of Afghanistan (2005) indicates the Site is underlain by map symbol Q34ac, "Fan alluvium and colluviums (Holocene and late Pleistocene) – Fan alluvium and colluviums: shingly and detrital sediments, gravel, sand, clay.

3.7 Site Seismicity

The Published USGS/USAID Seismic Hazard Map indicates Short (0.2 Second) and One Second Seismic Spectral Response Acceleration (Ss and S1) per IBC 2006 of 0.6 and 0.2 g, respectively, based on a 2 percent probability of exceedance in 50 years. The Site Class should be determined based on a geotechnical exploration.

3.8 Site Drainage

Through the middle of the proposed site is a large Wadi, which is dry as a result of completed earthwork (dike) which has diverted the runoff water. The Site generally drains from North to Southwest. The site has no flood risk.

3.9 Site Expansion Potential

The Site is surrounded by Water Management Directorate, Governmental and Private Commercial land. It is not possible to expand the site to the North, East, South and West.

3.10 Mines and unexploded ordinance

Major General Abdul Rahim Manager of Fire Department indicated there are no UXO hazards and no documentation for mine clearing of the site.

3.11 Utilities

Public Power is available near to the site about 200 meters in the Commercial Area. Public Water is available in governmental departments and commercial area. A Well is not available at the site, but based on an existing well next to the site the water table is recorded about 60 m deep.

3.12 Site Access

The site is located 100 meters to the South of Herat-Islam Qala main asphalted road. The site is connected to Herat-Islam Qala asphalted road by a dirt road. The site can be reached by public transport from Herat city.

3.13 Area resources

This is the information provided by the Local Contractors, Village Elder and Border Police:

- Construction Machinery, 1.5 km, Herat Custom Office
- Cement, Steel Bar, and Gypsum, 1.5 km, Herat City
- Skilled and Unskilled Labor, 1.5 km, Herat City
- Medical Clinic, 1.5 km, Herat City
- Fuel Point, 0.5 km from the site
- Sand, 3 km, Kamar Kala
- Crushed Aggregate , 1.5 km, Torghondi Road
- Bricks, 2 km, Torghondi Road
- Stone, 3 km, Local
- Access Road, 0.0 km from the site

- Telephone Communication: No Cell Phone coverage on the site
- Public Transportation: (Buses, Taxis, Coaches) – Feyzabad City

4 LIMITATIONS

The findings and opinions presented are relative to the dates of our site work and should not be relied on to represent conditions at other dates.

The opinions included herein are based on information obtained during the study and on MACTEC's experience. If additional information becomes available, we request the opportunity to review the information, reassess the potential impacts, and modify the report, if warranted. If this assessment included a review of documents prepared by others, MACTEC has no responsibility for the accuracy of information contained therein.

This document and information is based on a brief site visit, documents provided by CJ-Eng, Mol, or others, and interviews with local persons and officials familiar with or with responsibility over the site. Travel and security considerations limit personnel and equipment able to visit the site.

Location and elevation data are based on published documents and low resolution hand held GPS and should be considered approximate.

This document is intended for preliminary planning purposes only and should not be considered to replace detailed engineering studies such as site boundary and topographic surveys, geotechnical explorations, hydrologic studies, or other civil engineering effort.

This Site Assessment Survey Report was produced under the direction of the Project Manager and reviewed by the Principal Engineer.

LETTER OF INTRODUCTION FOR TECHNICAL TEAM AND MOI REPRESENTATIVE

To The Respected UP Commander:

The Engineering section of MACTEC Engineering and Consulting Inc. will conduct a survey and evaluation of the project at the following province listed below:

PROJECT	FACILITY TYPE	PROVINCE/ DISTRICT
Police Project	Fire Department (First Site 2 nd Visit)	Herat, Herat Province

The survey will be conducted by a Technical Team from MACTEC Engineering and Consulting Inc. in cooperation with the representative of the Ministry of Interior, Facilities Department and Engineer Lal Baz. The team will survey land for the Fire Department, to support the rebuilding of Afghanistan.

Your support is highly appreciated for the success of this project. We are requesting your support to provide information, convoys and security if deemed necessary for our team.

Sincerely,

Major General Sayed Jan (Akhgar)
Director of Facility Department

Request	Answer/Response
<p>The Respected Herat Provincial Governor In consideration to the request letter number 50 and 51 dated: 24/07/1389 by Construction Section of Herat UP Headquarters about identification of land for two sites for construction of Fire Department Police Facilities. According to decree number 16 dated: 06/02/1389 by President which says that land should be provided without any charges. The problems that we are facing are explained below:</p> <ol style="list-style-type: none"> 1- The area of 7- 10 Jeriebs of land at Gazargah Sharif Desert which is located behind the Saljooqi High School, requires the permission of the Monuments and Maintenance Section of Culture and Information Department. 2- The 80 Jeriebs of land which is located behind and to the east of the Airport. According to the prepared map the mentioned plots surveyed is recorded as Agricultural land in the Agriculture Department. <p>According to the fifth paragraph and (46) article of Law, distribution of agricultural areas are illegal and needs the permission of Agriculture Ministry. In addition to that the Provincial Governor has ordered, the proposed site to be assigned for the expansion of the airport and the issue was reported to the Capital (Kabul) and a partial agreement has been received regarding the expansion of airport. Therefore, the order of the Provincial Governor is practicable regarding proposed land.</p> <p>Sincerely, Representative of UP Headquarter (Signed)</p> <p>Tokhi Representative of Provincial Governor (Signed)</p> <p>Representative of Cadastre Directorate (Signed)</p> <p>Representative of Accountancy Department (Signed)</p> <p>Representative of Agriculture Department (Signed)</p>	<p>434 13/08/1389 Context of request has been approved (Signed)</p>
