

**SOURCES SOUGHT – W5J9LE-11-SS-0006**  
**HVAC SERVICES AT HQ, USACE - AES**

This announcement is a Request for Information (RFI) only. The United States Army Corps of Engineers, Afghanistan Engineer District - South (USACE-AES), Kandahar Air Field, Afghanistan is seeking preliminary marketing information from capable and reliable sources. The proposed requirement is to obtain heating, ventilation and air conditioning maintenance (HVAC) services for the USACE-AES. The Contractor providing such HVAC maintenance and repairs shall be responsible for routine maintenance, repairs of existing units, and possible installation of new units and spare parts. Respondents are asked to provide a Statement of Capabilities and also, responses to each of the questions below. The requested information is for planning purposes, and does not constitute a commitment, implied or otherwise, that a contract procurement action will be issued. This effort is classified through the North American Industry Classification System (NAICS) under 811310, Commercial and Industrial Machinery and Equipment (except Automotive & Electronic) Repair and Maintenance. Respondents are asked to provide a Statement of Capabilities and also, responses to each of the questions below. However, USACE-AES will utilize the information for technical and acquisition planning. All data received in response to this RFI marked or designated as corporate or proprietary will be fully protected from release outside the U.S. Government. It is not the intent of USACE-AES to reimburse providers for the cost of submitting information in response to this RFI. The Government will not return pictures, documents, graphs and or other requested information. It is emphasized that this RFI is for planning and information purposes only and is NOT to be construed as a commitment by the Government to enter into a contractual agreement. No solicitation exists; therefore, do not request a copy of a solicitation. Questions may be directed to: [Katherine.K.Clemens@usace.army.mil](mailto:Katherine.K.Clemens@usace.army.mil), phone calls and fax transmittals will not be accepted. Interested offerors must address the requirements of this RFI in a written form as described in the previous paragraphs by electronic mail to: [TAS.Contracting@usace.army.mil](mailto:TAS.Contracting@usace.army.mil), no later than **5:00 PM Kandahar, Afghanistan local time on 7 May 2011**. Respondents must demonstrate knowledge and expertise providing the services identified above in an OCONUS (Outside the Continental United States) theater. Responses must reference the request for information, and contain the respondents commercial and government entity (CAGE) code, if available. Please reference each response with the question numbers as follows: 1) Company name, company mailing address, point of contact, telephone number, e-mail address, Commercial and Government Entity (CAGE) Code, and size of your organization (i.e. Large Business, Small Business, Afghanistan Business) using as the basis for your response. 2) Provide a limited discussion of how your firm could meet the Government's HVAC requirements within USACE-AES, Kandahar Air Field, Afghanistan. 3) Provide detailed information on a minimum of two (2) contracts for similar work within the past three (3) years. Include complete references, contract titles, and dollar values, points of contact, email addresses, and telephone numbers. 4) Is your company a foreign-owned/foreign-controlled firm? 5) Number of personnel employed by your firm? 6) Provide a copy of your firms AISA license.
