Site Assessment Survey BP Company HQ
Zaker khil Khost Afghanistan

The proposed site for Bp Company HQ Zaker Khil is government property with Normal grid located at a distance of about 389m to North side of the TF GPS point, the TF Point is located next to US Army Base and our team was not allowed to get the GPS Point of the Site, The TF selected GPS point is better location for the construction of BP Company and that is government property and government can construct the site with any problem.

Noraml Grading is required at the proposed site demolition and cutting is not needed at the proposed site.

Road condition to the proposed site is good.

Resources:

- Unskilled labors are available at site but Skilled Labors will be taken from Provincial Capital khost.
- Material Like Sand and Gravel is available near site at 1km distance, Stone is available at a distance of about 6 Km, and other material like Crush, Cement, Steel bar, lime, Gypsum etc shall be transferred from the provincial capital Khost.
- Electricity and telephone communication is not available.
- Transportation is scarce
- Construction machinery and Equipment will be mobilized from the Provincial Capital Khost
- Prices for Using construction machinery, skilled and un skilled labors are higher when working with government reconstruction teams
- Different sources of water available.
- Fuel Station and clinic or hospital is not available.
- Only wood is available for cooking & heating, no natural gas available for cooking & heating
