PROPOSAL SCHEDULE NOTES

1. Offeror shall submit prices on all items. Scope of work on each items are described in Section 01010.
2. Only one contract for the entire schedule will be awarded under this solicitation. This project will be awarded as a lump sum contract. This Proposal Schedule is an accounting tool for allocating funds to applicable budget.
3. Costs associated with this project shall include design and construction costs, site development, and utility installation.
4. **DESIGN COSTS DEFINITION:** Design costs shall consist of design analysis, drawings, and specifications of all facilities.
5. **COST LIMITATION:** The established design cost limitation for all Design Costs, as defined in paragraph 4, shall not exceed 6 percent of the total construction cost.
6. The government has the right to reduce the number of units in a bid item or choose to delete a base bit item entirely if necessary after the proposals are received.
7. **EVALUATION OF OPTIONS:** The award will be made to the offeror whose proposal represents the best overall value to the Government. For pricing purposes the Government will evaluate both the Base Proposals and Option Proposals. The Government is not obligated to exercise the options.
8. **EXERCISE OF OPTIONAL BID ITEMS:** Optional bid items may, at the option of the Government, be added to the contract at any time within 120 calendar days after receipt of the notice to proceed for Base Proposal.
9. **ORDER of WORK:** The following order of work shall apply before start of optional bid items:
All base bid contract line items have priority.
10. Period of performance is 360 calendar days from receipt of notice to proceed for the base and for all optional items; Liquidated damages are assessed at \$3,850.00 per day for every day of delay past the period of performance of 360 calendar days until contract completion for either the Base Items or the Optional Items whichever is applicable.
