

Hospital Addition Heart Synopsis Dec 31 2008

Solicitation number W917PM-09-R-0040, Design and Construction of a new Hospital Addition at the ANA Garrison at Herat, Afghanistan.

The U.S. Army Corps of Engineers, Afghanistan District intends to issue a Request for Proposal (RFP) to award a Firm-Fixed Price contract for the design/construction of a new Hospital Addition at ANA Garrison at Herat, Afghanistan.

The addition is one facility that consists of the following distinct functions:

1. Hospital patient sleeping room facility for 46 bed patients
2. Administrative area for medical staff offices
3. Full service dining facility (DFAC) with kitchen and dining area with seating for 60 dining patrons.

The addition shall access the existing hospital via an enclosed corridor. The addition shall provide patient care areas for 51 total patients, along with related administrative and support capabilities. The hospital addition is one facility composed of three distinct areas. The hospital area consists of non-ambulatory patient rooms and related areas. The admin area consists of office spaces. The DFAC area is a full service dining facility sized for the occupants of the facility.

The award for this procurement will be made in accordance with the applicable Federal Acquisition Regulation (FAR) part 15 source selection procedures. The applicable NAICS code is 236200. The estimated price range of this requirement is between \$1,000,000.00 and \$5,000,000.00.

Solicitation number W917PM-09-R-0040 will be available on or about 12 Jan 2009. Proposal will be due approximately 30 days after the RFP issue date. Actual due date and time will be specified in the RFP.

The point of contact for this procurement is Mr. Michael T. McConnell, Contracting Specialist, U.S. Army Corps of Engineers, Afghanistan District, CEAED-CT, Kabul, Afghanistan, APO AE 09356, Phone 540-662-5263 or via email at michael.t.mcconnell@usace.army.mil. The media selection for this issuance of the solicitation and amendments shall solely be at the discretion of the Government. Accordingly, the media utilized for this project is the Internet. No paper copies will be made available. Interested parties may download and print the solicitation, at no charge at www.aed.usace.army.mil.

Requirements: DFAR 252.204-7004 Required Central Contract Registration (CCR) applies to this procurement. Prospective contractors must be registered in the Department of Defense CCR database prior to award. Information on CCR registration and annual confirmation requirements may be obtained by calling 1-888-227-2423 or via the internet at <http://www.ccr.gov>.
