FACTOR # 3

In section 00110, subparagraph 6.f. (iii) entitled, "TAB 3: Factor 3, Personnel:" The following is added at the end of the bulletized requirements:

The Offeror shall provide a description of the personnel, including management personnel, equipment, financial, and other resources it intends to use to complete the work required by this solicitation. The Offeror shall describe how its planned resourcing of the work required by the solicitation will result in timely completion without cost growth. The Offeror must explain whether it intends on utilizing personnel, including management personnel, equipment, financial, or other resources that are or will be devoted to other projects, and, if so, how it plans on ensuring that the use of such resources across multiple projects does not negatively impact performance of the work required by the solicitation. The Offeror shall explain its planned approach for ensuring adequate financial resources are available to fund this project from notice to proceed through contract completion, to ensure the project remains on schedule and that all required payments (such as subcontractor and vendor payments) are made in a timely fashion.

The Offeror must indicate whether it currently has the resources it plans to utilize, or, if not, describe its plan to acquire those resources in a manner that will ensure successful completion of the work. The Offeror must also provide a list of current projects less than 90% complete as of the date of the proposal, along with the dollar value of payments remaining on the project, scheduled completion date, location of the project and percentage of work actually completed.

Documentation of a credible approach to resourcing the work required by this solicitation includes, but is not limited to, subcontractor agreements, letters of intent from key personnel, equipment inventory records or proposed equipment rental agreements, letters of credit, procedures for payment of subcontractors, narratives describing sources of construction materials and transportation and logistical support, or any documentation that demonstrate the Offeror's capability to complete the work in a timely manner without cost growth.

In section 00120, subparagraph 5.c. entitled, "Factor 3 - Personnel:" The following is added at the end of the bulletized requirements:

The Offeror's proposal under this factor will be evaluated as to whether the Offeror has presented a credible approach to resourcing the work required by the solicitation. In assigning the appropriate adjectival rating, the Government will consider whether the Offeror has demonstrated that it has, or has a credible plan to obtain, adequate personnel (including management personnel), equipment, financial, and other resources to perform and complete the work by the contract completion date without cost growth.

SECTION 00010 - SOLICITATION CONTRACT FORM
