SUMMARY OF CHANGES

SECTION SF 1449 - CONTINUATION SHEET

The following have been modified:

SECTION 01010

BLANKET PURCHASE AGREEMENT
Between the U.S. Army Corps of Engineers
Afghanistan Engineer District
And

- 1.0 General Scope of Work: Contract is for a one-year duration. Provides Blanket Purchase Agreements (BPA) for Site Assessment Requirements. Contractor shall fulfill site assessment requirements as detailed below, and provide both a hard and soft copy of the Site Assessment report containing the requisite information.
- 2.0 Project: The Contractor will be paid a flat rate (all inclusive) for each of the sites assessed, encompassing the site visit itself, and the final site assessment report.
- 3.0 Purpose: The Contract shall provide hard- and soft-copy Site Assessment Reports. The Site Assessment Report should include a hard copy and electronic copy (word format) containing the following information:
 - a. Center GPS coordinates and all corner GPS coordinates (preferred) and site dimensions from a known 'benchmark' coordinate.
 - b. A hand-drawn map is acceptable for supporting documentation. However, computer drawn site layouts are required.
 - c. The Contractor will include an assessment of utilities, available water source, building descriptions, utilization (barracks, office, etc.), and material condition (poor, adequate, new), as well as a site sketch. **Include the types of resources that are readily available for heating and cooking – i.e. propane, wood, coal, etc and make a statement as to what type of stoves are currently used in the area.**
 - d. **The assessment will also include any comments on soil conditions in relation to a leach field system for septic tanks. An assessment on drainage/water shed/topography information is also required.**
 - e. Additionally, the existing road network is required to be provided for each site.
 - f. Each site Assessment should also include at least 20 (twenty) photographs, and a basic assessment of existing facility condition. The photographs should be individually labeled per exact location and date. Product should be similar in form and detail to the examples attached. The product will be reviewed by AED prior to acceptance.
 - g. **At least 2 photographs** should be taken from each corner grid pointing towards the center of the site to ensure the entire site has been photographed.
- 4.0 Contract Period of Performance: Contract is for a one-year duration. The assessments must be completed and approved by AED within sixty (60) calendar days from obtaining DBA insurance. The individual assessments shall be provided to AED immediately upon completion. Circumstances may arise where the site assessment is required within 30 days, (for estimating purposes, plan on 10 assessments to be submitted within 30 calendar days). The assessments shall be electronically submitted via email immediately after
