Contractor Request for Information

Date Requested: 09/14/2007 Completed - Ready to send to Government

Requestor's Name: Tim Morrow Subcontractor

Answer due date: 09/18/2007 Potential Cost Impact Potential Schedule Impact

RFI Subject: Clarification of Handicapped Access Feature of Work: CONCRETE, CAST-IN-PLACE

Information Requested: The contract drawings do not show access for handicapped persons. No access ramps are provided anywhere into the building. Only steps are provided for entry.

Contractor's Recommendation: Suggest that all steps be converted to a 12 concrete ramps at all entrances, except for the entry at the Loading Dock.
